

Air You Can Trust™

Features ActivePure® Technology, proven to reduce up to 99.9% of many common types of bacteria, viruses, and mold¹

THE TECHNOLOGY

The Pet ReFresh is perfect for anyone dealing with odor issues caused by animal bedding or litter boxes, plugging into the wall directly over the offending item. Patented ActivePure Technology is an advanced air and surface purification technology. It has been proven to reduce up to 99.9% of many common airborne and surface contaminants (list of tested pathogens can be found in “The Proof” section below).

ActivePure Technology does not replace the need to follow public health guidelines and should be used as complementary technology.
