GUARDIAN HEATER

With ActivePure® Technology

DESIGNED WITH COMFORT, SAFETY AND PEACE OF MIND FOR A SMARTER, BETTER PORTABLE HEATER.

- **Portable, Supplemental Heat Source**
Evenly heats throughout the room – wall to wall, carpet to ceiling. Helps reduce heating costs. Provides peace of mind for a safe and warm home.
- **Whisper-Quiet**
Runs quieter than standard portable heaters and prevents additional noise and intrusion on daily life. Simple design for ease of use and long life.
- **Lightweight Design**
Makes it easy to move from room to room; weighs only 23 pounds.
- **Auto Shut-off Safety Features**
Safety features aide in preventing fires and make it safer for children and pets. Automatically turns off unit if tipped over slightly in any direction or if internal temperature reaches a certain degree, preventing unit damage.
- **Timer Feature**
Allows you to control how long unit runs. Timer is dual purpose:
 1. Allows user to set a delayed start, up to 12 hours in 1 hour increments.
 2. Allows heater to operate up to 12 hours and then automatically shuts off.
- **Soft Grate Coating**
Prevents the grate from absorbing the heat, therefore eliminating the potential for burns if accidentally touched.
- **Adjustable Heat Levels**
Allows you to control the temperature in the room. Doesn't emit harmful fumes or carbon monoxide. Energy efficient ECO mode setting allows you to run the unit with 1/3 less power.
- **ActivePure® Technology**
Exclusive ActivePure Technology uses supercharged water molecules or "scrubbers" to remove odors and harmful contaminants from the air and surfaces—purifying your environment while keeping you cozy and warm! There is also an option to run the unit in ActivePure mode without the heat year round.
- **Remote Control**
Control the heating and timer settings easily from a comfortable distance.

CREATE A COMFORTABLE AND SAFE ENVIRONMENT

Warm, radiant heat is delivered throughout any room, effectively and conveniently, with the safety and efficiency that only comes from the Beyond by Aerus Guardian Heater. Our proprietary ActivePure Technology sends out oxidizers to remove contaminants and odors as the air is heated. The PTC heating element is made from ceramic stone and heats quickly while still being energy efficient. It is also durable, providing a longer life (80,000 hours) for the heating element. Unlike other heaters, our Beyond by Aerus Guardian Heater provides a quiet, even heat that fills the room and offers an economical way to put safe heating just where it's needed, allowing a lower thermostat setting which may help save on heating bills. Long life-expectancy, low maintenance and advanced safety features make the Beyond by Aerus Guardian Heater safer for your home, your children and your pets. It's easy to see why it's a better choice for personal heating!
